

God Who made the earth, the sky, the sea,
Who gave light its birth, careth for me.
God Who made the grass, the flower, the tree,
day and night to pass, careth for me.

*Come to Me, when you have gone astray
and I will give you faith.*

God Who made the sun, the moon, the stars,
Who when skies are grey careth for me.
God Who made all things, on earth, in sea,
through the seasons He careth for me.

*Come to Me when you have lost your way
and I will give you hope.*

God Who sent His Son to Calvary
if I lean on Him careth for me.
When at last in heaven I hope to be
I will sing out loud 'God cared for me.'

*Come to Me when you have lost your way
and I will give you hope.*
