

You, Israel, return now;

*return to God, your Father,
your only great Creator;
return to God, your Father.*

You won't be disappointed;

Although you have offended;

Although your sins are many;

He's sure to listen to you;

For He is calling to you;

Now seek your Lord's forgiveness;

He calls you all to hear Him;

And give yourselves to Him now;

For He is your Redeemer;

The people's Liberator;

Return now, O return now;

You lonely and you lost ones;

Now pray to Him His people;

And He will quickly answer;

So come now all you people;
